Steve/Brad,

I need to acquire a copy of MS Visio by tomorrow as our EPA client needs us to make updates to their ORG Charts as soon as first thing in the morning.

Please let me know if we have a copy somewhere or what I need to do to fast track a license and purchase. I thought we had a copy on the Distribution drive, but I can't access it. Ideally, I need to install a copy tonight or first thing in the morning.

Sorry for the short notice.

Thanks,
